Can't you see the beauty in me?

You shut your mouth!

How can you say

I go about things the wrong way?

I am human and I need to be loved.

Just like everybody else does.

Chapter 5 by Tanya287

And they say (They say) chivalry is dead

(Dead, Dead)

Girl, let a real man pick up the slack

And treat you with respect, yeah

And you don't have to love me

Love me, Love me

You don't have to love me

Love me, Love me

Just 'cause I'm a gentleman don't mean

I ain't taking you to bed

Ahhh, baby let me buy your meals

I see you're head over heels

I feel like you deserve it

There's no pressure

We can do whatever makes you comfortable, yeah

I could float your boat

If you're cold take my coat

I'll sing a music note from a song that I just wrote

Girl, just take my hand

And let me be your man

Though that's not what you're used to

Chapter 6 by Rubina Souda

See the stone set in your eyes
See the thorn twist in your side
I'll wait for you

Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait without you

With or without you
With or without you

Through the storm, we reach the shore
You gave it all but I want more
And I'm waiting for you

With or without you
I can't live with or without you

And you give yourself away
And you give, and you give
And you give yourself away

My hands are tied, my body bruised
She got me with nothing to win
And nothing left to lose

And you give yourself away
And you give, and you give
And you give yourself away

With or without you
I can't live

With or without you

Is this the real life? Is this just fantasy?

Caught in a landslide, no escape from reality

Open your eyes, look up to the skies and see
I'm just a poor boy, I need no sympathy
Because I'm easy come, easy go, little high, little low
Any way the wind blows doesn't really matter to me, to me

Mama, just killed a man, put a gun against his head
Pulled my trigger, now he's dead
Mama, life had just begun
But now I've gone and thrown it all away
Mama, ooh, didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on as if nothing really matters
Too late, my time has come
Sends shivers down my spine, body's aching all the time
Goodbye, everybody, I've got to go
Gotta leave you all behind and face the truth
Mama, ooh, I don't want to die
I sometimes wish I'd never been born at all

[Solo]

I see a little silhouetto of a man
Scaramouche, Scaramouche, will you do the Fandango
Thunderbolt and lightning, very, very fright'ning me
(Galileo.) Galileo. (Galileo.) Galileo. Galileo figaro magnifico
I'm just a poor boy, nobody loves me
He's just a poor boy from a poor family
Spare him his life from this monstrosity
Easy come, easy go, will you let me go?

Bismillah! No, we will not let you go

(Let him go!) Bismillah! We will not let you go

(Let him go!) Bismillah! We will not let you go

(Let me go.) Will not let you go, (Let me go.) Will not let you go

(Let me go.) Will not let you go, (Let me go.) Ah

No, no, no, no, no, no, no
(Oh mamma mia, mamma mia) Mama mia, let me go
Beelzebub has a devil put aside for me, for me, for me!

So you think you can stone me and spit in my eye?
So you think you can love me and leave me to die?
Oh, baby, can't do this to me, baby!
Just gotta get out, just gotta get right outta here!

Nothing really matters, anyone can see
Nothing really matters
Nothing really matters to me
Any way the wind blows

Chapter 8 by Kiri

This is the song that never ends,
yes it goes on and on my friend.
Some people started singing it,
not knowing what it was,
and they'll continue singing it forever just because...

the end
